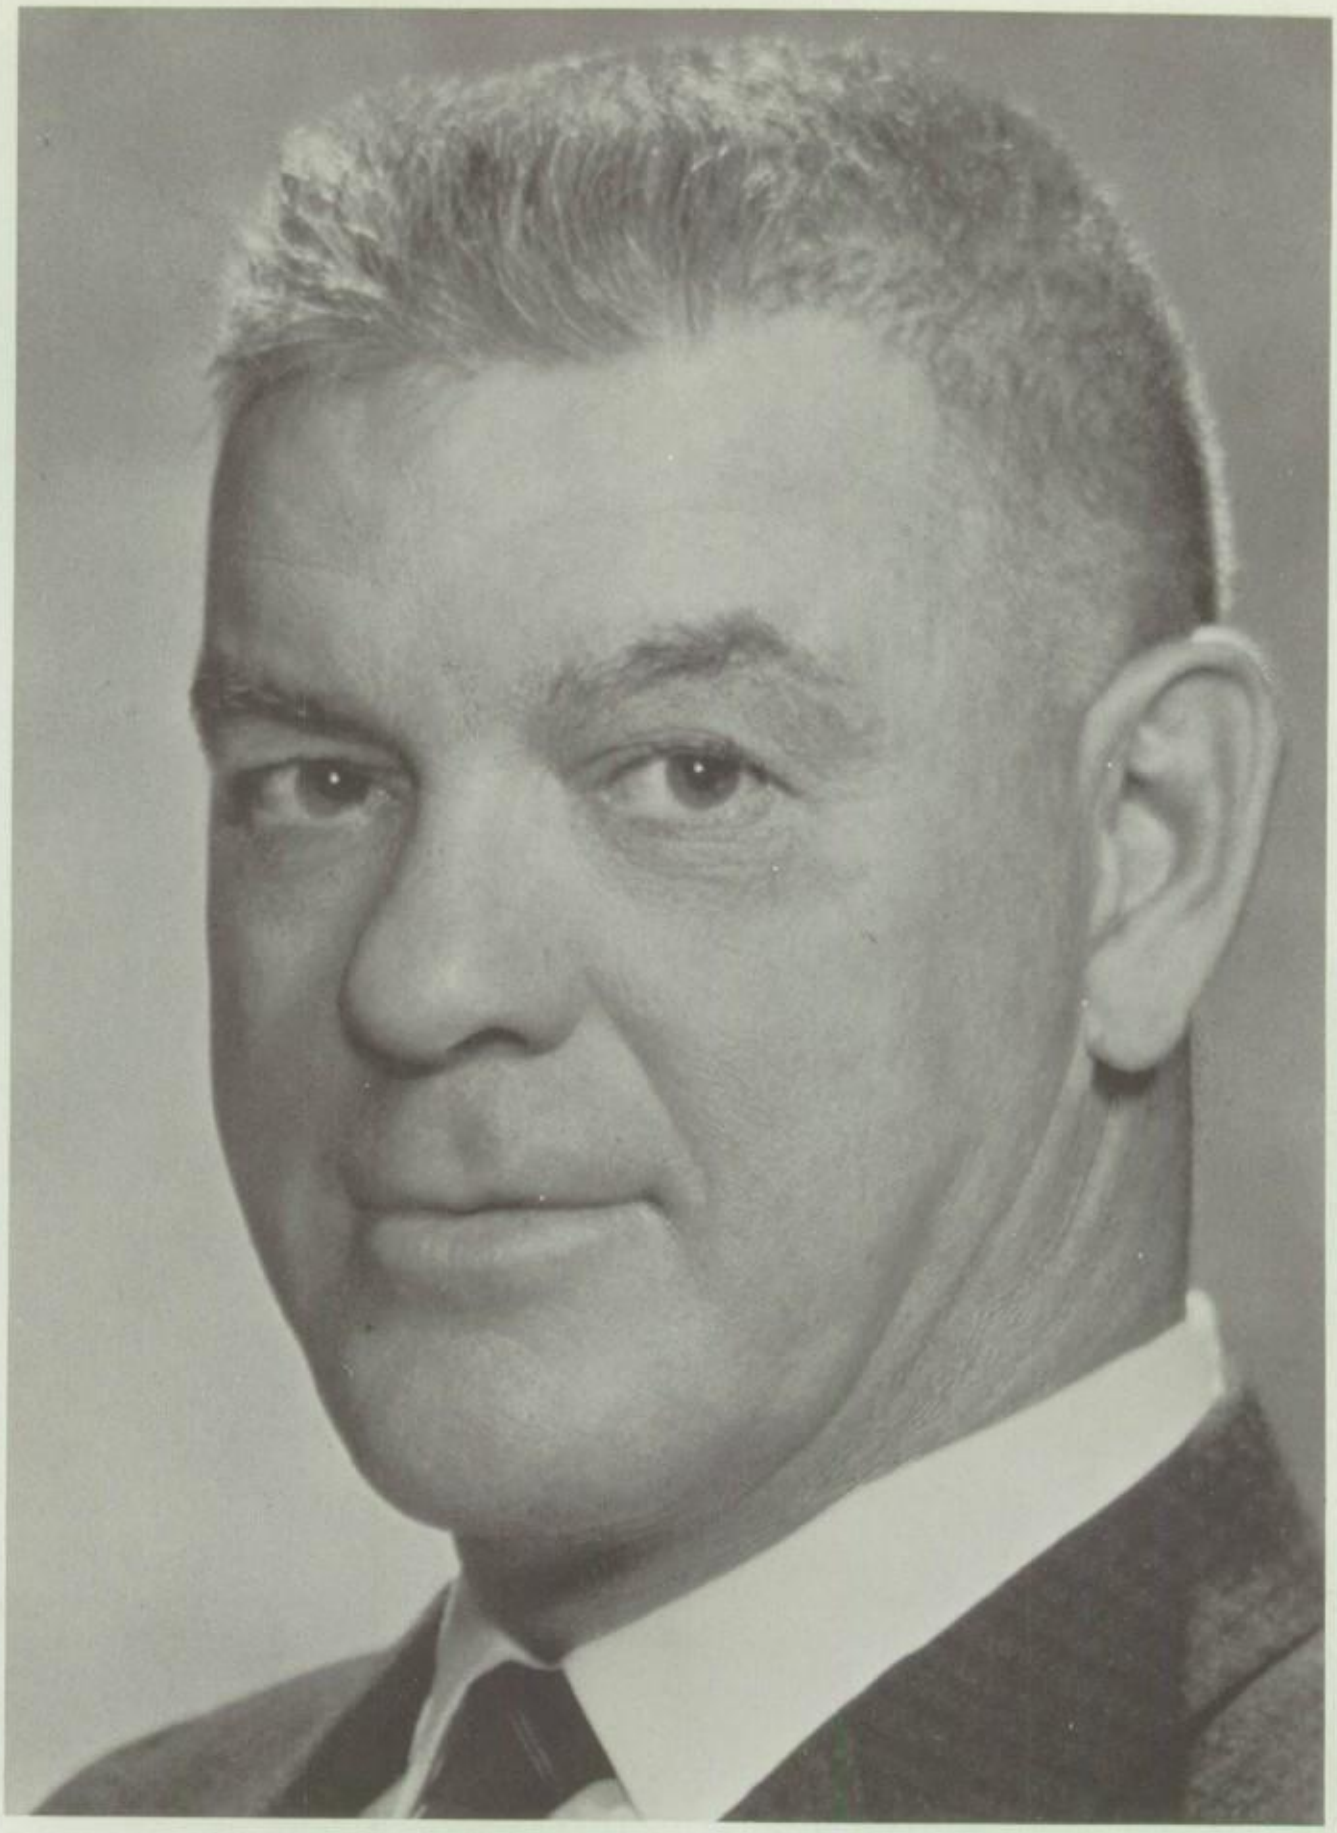
FACULTY



Mr. Merz was a man fully dedicated to youth.
His laughter, his warmth . . .
His smile, his sincerity . . .
His humour, his goodness . . .
Are still alive in our memory of him.

Martin A. Hielscher

His concern for youth . . . his loyalty to students . . .
His guidance of the weak . . . his support of the strong . . .
His direction of the doubtful . . . his encouragement of the confident . . .
In his eight years as principal of Central,
Mr. Hamlin has touched the growing moments of his students.
We extend our appreciation for his valuable advice
and offer best wishes in his retirement.

The Booster Club, under the co-operative efforts of Mr. Eugene Daly, Mrs. Smith Dodge, Mr. Norman Gebler, Dr. Robert Lacey, and Mr. Herbert Levine, has contributed greatly to our school spirit. Booster Club has sponsored two award dinners, a Pizza party after the Columbus Day Parade, and various punch parties. It has offered to chaperone buses to "away games." Twice a year, Booster Club awards trophies to the most valuable players. Futhermore, it awards the Mr. and Miss School Spirit of each graduating class with twenty-five dollars.

As President of Booster Club, Mr. Daly states that one of the purposes of Booster Club is to create school spirit. Although he is greatly pleased with the support from parents, he feels that much success is due to the vibrant and enthusiastic support from the student body.

Dr. Lacey comments, "The goal of the Central Booster Club is to honor those students who have distinguished themselves in sports and sport allied activities. The parents, students and faculty, as well as community leaders, blend their praises each year at banquets and social gatherings saying, 'Thank you — well done — you're a credit to our school.'"

graduation - - - -

. . . the end . . . or the beginning?

YES . . . AND NO . . .

Graduation is the end of an era in your life.

It's also the beginning of a new era for you . . . a period when the responsibilities of adulthood suddenly appear.

"Bank standing" is something that will help you meet those responsibilities head-on. By doing business with a bank through use of checking, savings, loan or other facilities, you establish the financial reputation and maturity that today's successful person needs.

Throughout your life . . . the only bank you'll ever need is First-City.
